

WDSL Disciplinary Committee – Guidelines 2015/16

The purpose of this committee is to streamline disciplinary procedures throughout the WDSL and ensure everyone is afforded a fair and accountable system through which all such issues are handled.

The guidelines we will use to achieve this are as follows:

- Any player who receives 4 yellow cards in the course of the season will be suspended from playing in the next competitive match for his/her team. The suspension will be imposed by the League and a letter will be sent by the League informing them of the suspension.
- Should a player receive a further 2 yellow cards he/she will receive a further suspension and the Club may also be sanctioned. The suspension will be imposed by the League and a letter will be sent by the League informing them of the suspension.
- Any player receiving a red card will be suspended from playing in the next competitive match for his/her team. The suspension is automatic.
- Clubs will be held responsible for the behaviour of parents, supporters etc. associated with their teams. (SFAI Rule 38)
- All correspondence relating to the alleged offence must be issued through the club secretary on official headed paper. Failure to do this will result in that correspondence not being admissible.
- In the event of any issue being dealt with by the Disciplinary Committee the Committee will contact the relevant club and advise them of a date and time to attend a meeting and outline any charges facing the club.
- The Committee will read the relevant paperwork to the Club Representatives and invite comment and reply. The decision will be forwarded to the Club by letter.
- All decisions will be taken on the basis of what is in the referees report.
- Any ruling taken by the disciplinary committee can be appealed to the SFAI as per SFAI rule book.
- If a club fails to turn up when invited to a hearing the hearing shall be deemed to have happened and a decision may be taken on that basis. Such clubs will be fined €50 for non attendance.
- If a player fails to turn up when requested he/she will be suspended until such time as his/her club arranges and meets the disciplinary committee. The player plus the Club official must attend.
- All fines must be paid to the address in the letter within 14 days of the fine being posted.
- Non payment of fines may result in relevant club's team's fixtures being stopped or walkovers awarded.
- Any team guilty of playing an illegal player can be expelled from the League, incur a fine of €200 and the team/players become the property of the League as per Rule 4 (a) of the WDSL Competition Rules.
